SUBJECT: Letter of Recommendation for Wolfgang Tuppeck

Dear Sir/Madame:

During my eleven years in Hanau Germany, it is time to say Good-bye and Hello to Heidelberg, Germany. On July 7, 2007 my husband and I were invited for a farewell dinner with the Family Kabbani, where I met a distinguished gentleman, Wolfgang Tuppeck.

In the course of the evening, Mr. Tuppeck came in with a large ghetto blaster singing. My husband and I were so surprised, his voice touched my heart, he showed exceptional talent and professionalism and carried out this surprise for my family by accomplishing his performance with distinction performing different types of music throughout the night. His voice was breath taking.

As a Special Events Coordinator/Better Opportunities for Single Soldiers (BOSS) Adviser, I would love to have Mr. Tuppeck perform for the troops or even at a Professional Conference we hold for the soldiers, for I believe Tuppeck would demonstrate selfless dedication and commitment to the highest civilian, military and professional standards in anything he could assist the Darmstadt Community in.

His care and concern for people is evident in everything he does, both on and off duty. Since this special night, I have seen Wolfgang become involved and help others not because he had to, but because he genuinely cares. Above all else Wolfgang Tuppeck has exemplified the standard of a professional performer.

I strongly recommend Wolfgang Tuppeck without hesitation –he is a superb performer and is worthy of any position.

I am available to answer any additional questions that you may have via email [marybeth.turnerr@us.army.mil](mailto:marybeth.turnerr@us.army.mil).

Sincerely,

A handwritten signature in cursive script that reads "Mary Beth Turner". The signature is written in black ink and is positioned above the printed name and title.
